Pursuant to Iowa Code sections 17A.12(5) and 272C.3(4), and 657 Iowa Administrative Code (IAC) 35.24, the Iowa Board of Pharmacy ("Board") and John Ferris Daniel ("Respondent") enter into the following Settlement Agreement and Final Order ("Order") to settle a contested case currently pending before the Board.

The allegations contained in the Statement of Charges against Respondent shall be resolved without proceeding to hearing, as the Board and Respondent stipulate as follows:

1. The Board filed a Notice of Hearing and Statement of Charges on June 28, 2022.
2. The Board has jurisdiction over Respondent and the subject matter of this proceeding.
3. The factual circumstances contained in the Notice of Hearing and Statement of Charges are hereby incorporated into this Order. Respondent acknowledges that the allegations contained in the factual circumstances in the Notice of Hearing and Statement of Charges, if proven in a contested case proceeding, would constitute grounds for the discipline agreed to in this Order. Respondent further acknowledges that any confidential factual circumstances contained in the Notice of Hearing and Statement of Charges, by virtue of their incorporation into this Order, are now public and are available for inspection and copying in accordance with Iowa Code chapters 22 and 272C.
4. Execution of this Order constitutes the resolution of a contested case. Respondent has a right to hearing before the Board on the charges, but Respondent waives the right to hearing and all attendant rights, including the right to appeal or seek judicial review of the Board's actions, by freely and voluntarily entering into this Order. Once entered, this Order shall have the force and effect of a disciplinary order entered following a contested case hearing.
5. Respondent acknowledges that he has the right to be represented by counsel on this matter.
6. Respondent agrees that the State's counsel may present this Order to the Board and may have *ex parte* communications with the Board while presenting it.

7. This Order is subject to approval by a majority of the full Board. If the Board does not approve this Order, it shall be of no force or effect to either party, and shall not be admissible for any purpose in further proceedings in this matter. If the Board approves this Order, it shall be the full and final resolution of this matter.

8. This Order shall be part of Respondent's permanent record and shall be considered by the Board in determining the nature and severity of any disciplinary action to be imposed in the event of any future violations.

9. Respondent understands the Board is required by federal law to report any adverse action to the National Association of Boards of Pharmacy's Disciplinary Clearinghouse and the National Practitioner Data Bank.

10. This Order, when fully executed, is a public record and is available for inspection and copying in accordance with the requirements of Iowa Code chapters 22 and 272C.

11. The Board's approval of this Order shall constitute a **FINAL ORDER** of the Board.

IT IS THEREFORE ORDERED:

12. Respondent is **RESTRICTED** from compounding with hazardous drugs until further order of the Board. If Respondent wishes to have this restriction lifted he must submit a request to the Board. Prior to submitting a request, Respondent must complete a live training course covering compounding with hazardous drugs in compliance with USP Chapter 800, offered by CriticalPoint, PCCA, or another entity approved by the Board. When submitting a request to have this restriction lifted, Respondent has the burden to demonstrate that he will be able compound in full compliance with USP Chapter 800. Respondent understands and agrees that, unless and until the restriction is lifted, a restriction will remain on the license indefinitely.

13. Within thirty (30) days of this Order, Respondent shall pay a **CIVIL PENALTY** in the amount of one thousand dollars (\$1000). The check shall be made payable to the "Treasurer of Iowa" and shall be deposited in the general fund. The civil penalty should be mailed to the Iowa Board of Pharmacy, Attn: Amanda Woltz, 400 SW 8th St, Ste E, Des Moines IA 50309.

14. Within ten (10) months of this Order, Respondent must complete live training courses covering USP Chapters 795 and 797, offered by CriticalPoint, PCCA, or another entity approved by the Board. Proof of completion should be emailed to Amanda.Woltz@iowa.gov. Failure to submit proof of completion will result in an automatic restriction on Respondent's license from nonsterile compounding (if training on USP 795 is not completed) and sterile compounding (if training on USP 797 is not completed) until such time as Respondent submits proof of completion.

15. Should Respondent violate the terms of this Order, the Board may initiate action to impose other licensee discipline as authorized by Iowa Code chapters 147, 155A, and 272C and 657 IAC 36.
