Any person ... whose pharmacy technician registration ... has been revoked or suspended must meet the following eligibility requirements:

1. Must have satisfied all the terms of the order of revocation or suspension or court proceedings as they apply to that revocation or suspension. If the order of revocation or suspension did not establish terms and conditions upon which reinstatement might occur, or if the license, registration, or permit was voluntarily surrendered, an initial application for reinstatement may not be made until one year has elapsed from the date of the board's order or the date of voluntary surrender.

....

3. All proceedings for reinstatement shall be initiated by the respondent who shall file with the board an application for reinstatement of the license, registration, or permit. Such application shall be docketed

4. An application for reinstatement shall allege facts which, if established, will be sufficient to enable the board to determine that the basis for the revocation or suspension no longer exists and that it will be in the public interest for the license, registration, or permit to be reinstated. The burden of proof to establish such facts shall be on the respondent.

5. An order for reinstatement shall be based upon a decision which incorporates findings of facts and conclusions of law and must be based upon the affirmative vote of a quorum of the board. This order shall be available to the public as provided in 657 Chapter 14.
