FINDINGS OF FACT,

DECISION AND ORDER

RESPONDENT

On July 20, 2010, the Iowa Board of Pharmacy (Board) found probable cause to file a Statement of Charges against Julie Johnson (Respondent), alleging the following violations:

Count I: Inability to practice as a pharmacy technician with reasonable skill and safety by reason of chemical abuse, in violation of Iowa Code § 155A.6A(5)(2009) and 657 IAC 36.1(4)(m).

Count II: Unlawful possession of prescription drugs, including controlled substances, in violation of Iowa Code §§ 126.308¹, 155A.6A(5), 155A.21 (2009), and 657 IAC 36.1(4)(j).

Count III: Violating state laws related to the practice of pharmacy and distribution of controlled substances, in violation of Iowa Code §§ 124.403, 155A.6A(5), and 155A.21(2009), and 657 IAC 36.1(4)(j).

The hearing was held on November 2, 2010 at 1:40 p.m. The following members of the Board presided at the hearing: Vernon Benjamin, Chairperson; Susan Frey; Edward L. Maier; Mark Anliker; DeeAnn Wedemeyer Oleson; and Annabelle Diehl. Assistant Attorney General Scott Galenbeck represented the state. Respondent failed to appear for hearing. The hearing was open to the public, pursuant to Iowa Code section 272C.6(1)(2009) and was recorded by a certified court reporter. Administrative Law Judge Margaret LaMarche assisted the Board in conducting the hearing. After hearing the testimony and examining the exhibits, the Board convened in closed executive session, pursuant to Iowa Code section 21.5(1)(f), to deliberate their decision. The

administrative law judge was instructed to prepare the Findings of Fact, Conclusions of Law, Decision and Order, in conformance with the Board's deliberations.

THE RECORD

The record includes the testimony of the witnesses and State Exhibits 1-4.

FINDINGS OF FACT

1. The Board has issued pharmacy technician registration number 11931 to Respondent, which authorizes her to serve as a pharmacy technician, subject to the laws of the state of Iowa and the rules of the Board. Respondent last renewed her pharmacy technician registration on April 14, 2010. (State Exhibits 1, 2)
2. Respondent was employed as a pharmacy technician at a Walgreens Pharmacy in Waterloo, Iowa at all times relevant to this decision. Respondent had been in treatment for substance abuse and was participating in the Board's program for recovering pharmacists and pharmacy technicians (IPRN). Respondent's employer and co-workers report no performance issues related to her work as a registered pharmacy technician. (Testimony of Bernard Bernsten; State Exhibit 1)
3. On October 5, 2009, Respondent relapsed by consuming 4 shots of alcohol after she left work. While driving home, Respondent lost control of her vehicle and sideswiped a guardrail while driving over a bridge. Respondent was stopped by a police officer. She submitted to a breathalyzer, which registered .10, which was .02 over the legal limit. At the time of her arrest, Respondent possessed eight hydrocodone tablets that did not belong to her and for which she did not have a prescription. (Bernsten testimony; State Exhibit 1)
4. Respondent told the Board's compliance officer that she relapsed by drinking alcohol and by possessing hydrocodone that belonged to someone else. Respondent reported that she was scheduled for a new evaluation on October 27, 2009 and planned to return to treatment. (Bernsten testimony; State Exhibit 1)
5. The Board initially attempted to serve Respondent with the Notice of Hearing and Statement of Charges by certified mail at her address of record with the Board. When the certified mail was returned to the Board as undeliverable, Respondent was served with the Statement of Charges and Notice of Hearing by publication, as

authorized by 657 IAC 35.5(1)"d." Respondent failed to appear for hearing. (Testimony of Debbie Jorgenson; State Exhibit 4)

CONCLUSIONS OF LAW

Iowa Code §155A.6A(5)(2009) provides, in relevant part, that the board may suspend or revoke the registration of a registered pharmacy technician for any violation of the laws of this state, ... for any violation of this chapter or chapter 124, 124A, 124B, 126, 147, 205, or 272C or any rule of the board.

Iowa Code §155A.21(2009) provides, in relevant part, that any person found in possession of a drug limited to dispensation by prescription, unless the drug was so lawfully dispensed, commits a serious misdemeanor.

Iowa Code §124.403(1)(c) provides, in relevant part, that it is unlawful for any person to knowingly or intentionally acquire or obtain possession of a controlled substance by misrepresentation, fraud, forgery, deception or subterfuge.

657 IAC 36.1(4) provides, in relevant part:

36.1(4) *Grounds for discipline.* The board may impose any of the disciplinary sanctions set out in rule 36.1(2) when the board determines that the licensee, registrant, or permittee is guilty of the following acts or offenses:

...

j. Violating a statute or law of this state,...without regard to its designation as either a felony or misdemeanor, which statute or law relates to the practice of pharmacy or the distribution of controlled substances, prescription drugs, or nonprescription drugs.

...

m. Inability of a licensee or registrant to practice with reasonable skill and safety by reason of mental or physical impairment or chemical abuse.

The preponderance of the evidence established that Respondent is unable to practice as a pharmacy technician with reasonable skill and safety due to chemical abuse. Respondent had been participating in the IPRN program but has relapsed using alcohol. She also possessed controlled substances that did not belong to her. Respondent reported that she intended to obtain a new evaluation and return to treatment, but she failed to appear for hearing or provide the Board with any

information concerning the status of her recovery. The record supports a finding that Respondent is not currently able to practice as a pharmacy technician with reasonable skill and safety due to her chemical abuse, in violation of Iowa Code §§155A.6A(5)(2009) and 657 IAC 36.1(4)(m), as alleged in Count I.

The preponderance of the evidence established that Respondent unlawfully possessed prescription drugs, including controlled substances, in violation of Iowa Code §§ 155A.6A(5), 155A.21(2009) and 657 IAC 36.1(4)(j), as alleged in Count II.

The preponderance of the evidence established that Respondent violated state laws related to the possession and distribution of controlled substances, in violation of 155A.6A(5), 155A.21, 124.403(2009), and 657 IAC 36.1(4) (j), as alleged in Count III.

In light of these violations, Respondent's continued practice as a registered pharmacy technician presents a risk to the public health, safety, and welfare. The nature of the violations and Respondent's failure to appear for hearing justify the indefinite suspension of her registration.

DECISION AND ORDER

IT IS THEREFORE ORDERED that pharmacy technician registration number 11931, issued to Julie Johnson, is hereby INDEFINITELY SUSPENDED. If Respondent seeks reinstatement of her registration, the burden will be placed on her to show that the basis for the suspension no longer exists and that is in the public interest for her registration to be reinstated. 657 IAC 36.13(4).

IT IS FURTHER ORDERED, pursuant to Iowa Code section 272C.6 and 657 IAC 36.18(2), that Respondent shall pay \$75.00 for fees associated with conducting the disciplinary hearing. In addition, the executive secretary/director of the Board may bill Respondent for any witness fees and expenses or transcript costs associated with this disciplinary hearing. Respondent shall remit for these expenses within thirty (30) days of receipt of the bill.

INTRODUCTION

On July 21, 2010, the Iowa Board of Pharmacy (the Board) issued a notice of hearing and statement of charges against pharmacy technician Julie Johnson (Respondent). The statement of charges alleged that appellant: 1) was not able to practice due to chemical abuse, 2) unlawfully possessed controlled substances, and 3) violated laws relating to the possession of controlled substances. The notice set a hearing date of November 2, 2010.

Respondent did not appear for the hearing on November 2, 2010. The State presented evidence in her absence. On November 24, 2010, the Board issued a decision finding a violation of each charge. The Board indefinitely suspended her registration as a pharmacy technician.

On December 13, 2010, Respondent filed a motion to vacate. She stated that she was not aware of the hearing. She received a certified mail card from the Post Office informing her that she had received a certified letter. She did not know the contents of the letter or the sender. She was on her way to Florida for a vacation, and forgot about the certified letter by the time she returned. She apologized for missing the hearing, and stated that she has completed treatment from Pathways Treatment Center. She believes she can now fully complete her duties as a pharmacy technician.

The Board heard argument on the motion on January 11, 2011. Respondent represented herself. Assistant Attorney General Scott Galenbeck represented the Board. A quorum of the Board was present for the motion hearing. Administrative Law Judge Jeff Farrell assisted the Board. After hearing arguments from both parties, the Board moved into closed session to deliberate on the motion. Thereafter, the Board directed the administrative law judge to draft a decision in conformance with the Board's deliberations.

CONCLUSIONS OF LAW

A party who has failed to appear for a hearing may file a motion to vacate the decision issued by the Board.¹ The moving party has the burden of proof to show good cause for failing to appear. “Good cause” is defined, by reference, in Iowa Rule of Civil Procedure 1.977 provides as follows:

On motion and for good cause shown, and upon such terms as the court prescribes, but not ex parte, the court may set aside a default or the judgment thereon, for mistake, inadvertence, surprise, excusable neglect or unavoidable casualty. . . . (underline emphasis supplied).

Good cause for setting aside a default judgment is a “sound, effective, truthful reason, something more than an excuse, a plea, an apology, an extenuation or some justification for the resulting effect.”² Failure must not be the result of negligence, want of ordinary care or attention, or due to carelessness or inattention.

Respondent cannot meet the standard for good cause. She received notice from the Post Office to pick up a certified letter. That envelope contained the statement of charges and notice of hearing. Even if she did not have time to pick up the envelope before leaving on a vacation, she had more than enough time to pick up the envelope prior to the hearing. Her failure to do so is an excuse or negligence, and not a sound effective reason for missing the hearing. If the Board were to accept Respondent’s excuse in this case, it would essentially excuse any busy person who fails to pick up certified mail. The Board’s hearing schedule would be reduced to a matter of convenience for respondents who are named in statements of charges – they would only be held to their hearing date if they had the time to pick up their certified mail. The Board cannot operate in such a manner. It is necessary for the Board to maintain a system that keeps the process moving in a professional and timely manner.

Notwithstanding this ruling, the Board recognizes that Respondent presented information showing that she has made good progress toward satisfying the concerns raised in the statement of charges. The Board is receptive to considering an application for reinstatement, during which the Board could further review her record. By this means, the Board can protect the integrity of its hearing procedure and schedule, while allowing Respondent a forum to show that she should be allowed to return to the profession as a pharmacy technician. Respondent should consider filing an application for reinstatement as a means to regain her registration.

DECISION AND ORDER

The motion to vacate is denied. This decision does not prevent Respondent from filing an application for reinstatement, as discussed above.

Dated this 8th day of March, 2011.
